Elevate Metro KC is a local affiliate of the national organization, Elevate USA, and was established in 2019. Elevate provides a comprehensive youth development program empowering underserved students in the Center School District in Kansas City. Engaging teenagers in meaningful activities is more crucial than ever, especially during a time when they typically disengage from traditional after-school programs. Elevate provides students, from primarily low-income neighborhoods, with the tools and support they need to thrive. Elevate's program is built around four crucial, key areas. Through these interconnected program areas, Teacher Mentors (TMs) provide a holistic approach to student development, addressing both academic and personal growth: Accredited Classes: Elevate provides students with accredited classes taught by our trained TMs. Mentoring: Elevate's mentoring is not confined to a single aspect of the student's life. It takes place after school once or twice a month, on weekdays, 1:1, and in the summer; reinforcing the same skills taught in the classroom, helping students apply what they've learned to their everyday lives. Adventure Programs: Taking students on trips outside of school to engage in new and challenging activities. College and Career: TMs guide students through the process of exploring college options, applying for scholarships, preparing for trade
